### *Let's Get Political: Christmas Movies*

#### **It's a Wonderful Life:**

A powerful ode to  
community building  
and collective well-being,  
showing how individual  
actions create a stronger  
society.

#### **A Charlie Brown Christmas:**

A critique of excessive  
commercialism, focusing  
on reclaiming the  
spiritual, communal heart  
of Christmas.

#### **How the Grinch Stole Christmas:**

Often seen as a socialist  
parable about greed and  
the joy of community  
over material goods.

#### **Miracle on 34th Street:**

Challenges corporate  
power (Macy's) and  
validates the "little guy,"  
questioning authority  
through a court case.
