You will have  
access to feeling  
and expressing  
the full gamut  
of human emotions.

[Thus modelling emotional  
freedom to the new  
humans.] Feeling will  
become ok.  
Even celebrated.

#2 More opportunities to  
be the parent who stays  
home making pillow forts  
and tree-houses and beach  
picnics in summer!  
Kissing boo-boys! and eating  
macaroni and cheese!

Passing the role of "The  
Breadwinner" or "The-  
Bringer-Home-of-the-Bacon"  
back and forth is easier  
and more feasible when  
wages are equal for  
men and women.

Followed by becoming financially responsible for maintaining the whole shebang [even though you may be happy living in a tent!] See again

#3 No more loaded expectations of you planning THE/er] perfect proposal... complete with a diamond worth 1 month of your time...

Because you may spend more unmarried, productive time with them - more snugly time. And you will know them and they know better because...  
-4- Closer relationships with your children [if you have them].

\*Some women love living in tents too. For real. One is probably looking for you right now if that's what you're into.

#1  
You can wear whatever you want without fear of denigration!

FORM-FITTING, FLATTERING STUFF OR SKIRTS OR DRESSES (THEY'RE COMFORTABLE YOI)

Cool, breezy  
there are many reasons women and girls wear them).
