QUEERS, WAKE UP!

FREE PALESTINE!

Do

what anti-colonial queers have done for decades, reclaim the narrative, and set the terms of the conversation, this time about Palestine. What is happening in Palestine is Genocide. Israel is a Settler-Colony. Palestinians are a Militarily Occupied and Colonized Society. Under international law, Israel Does Not have the right to “defend” itself against the population it occupies, while Palestinians Have the right to Resist their occupation. Demanding Ceasefire is the first step in holding Israel accountable for its crimes against humanity. We must also demand to break the siege on Gaza and the dismantlement of the Zionist settler-colony.

Contact

your local representatives to pressure them into defunding the genocide, ending their military, diplomatic, and political support with Israel. Speak up against the ongoing and complicit criminalization of solidarity with Palestine and the colonial and Islamophobic projection of European Antisemitism on Palestinian and racialized voices, as we are witnessing particularly in France, the UK, the US, and Germany.

Shut down

main streets. Organize a sit-in in your local central station. Interrupt the flow of commerce. Complacency is a choice.

SUPPORT ART BY ALI BY EL-CHAER

We call on queer and feminist activists and groups around the world to stand in solidarity with the Palestinian people in their resistance to displacement, land theft, and ethnic cleansing and their struggle for the liberation of their lands and futures from Zionist settler-colonialism. This call cannot be answered only by sharing statements and signing letters but by an active engagement with decolonial and liberatory struggles in Palestine and around the globe. Our unequivocal demands are as follows:

Reject

Israeli funding, refuse collaborations with all Israeli institutions, and join the BDS movement.

Strike

Silently or publicly, refuse that your exploited labor be used for the silencing of Palestine activism or the funding, support, and endorsement of military settler colonization and genocide.
